

CAN A PAYROLL VENDOR HELP IN MITIGATING BUSINESS RISKS?

CASE STUDY

OPS DELIVER HIGH QUALITY PAYROLL SERVICES

The Challenge

Lockdown adversely affected a major Manufacturing client's sales revenue because of logistics and supply chain disruptions, compounded by currency fluctuations.

To keep the company afloat and still pay salaries, our client had to reduce operational costs, but without reducing headcount, adhering to the employment stability in private sector establishments legislation set out by the Ministry of Human Resources and Emiratization.

THE CLIENT

INDUSTRY: HOSPITAL

HEADCOUNT: 23,600

YEARS IN BUSINESS : 177

YEARS AS OPS CLIENT: 7

DIANA GELDENHUYS

**CEO & FOUNDER AT OUTSOURCED
PAYROLL SOLUTIONS**

OPS Approach

OPS worked fast to adhere to a tight timeline, using its extensive and finely honed resources, in close partnership with the company management and its employees, also keeping up the staff morale.

We mapped our client's needs and carefully assessed the pay structure, leading to a salary restructuring that reduced staff costs by 20% without a single casualty.

Unlock a company's full potential through empowering, connecting and training.

Results and value delivered

Our steps in to streamline staff utilization, enabling our clients to continue to pay salaries even during times of financial crises Results and value delivered

Looking ahead to continued success

At OPS, we are more than our client's payroll manager offering a suite of HR services that stretches far beyond the management of your company's payroll. We are a partner in times of radical change, providing support and solutions for the overall wellbeing of the company and its employees.
